

For years, we've been taught  
that the triangle means **change**.

With Delta Dental it means positive change. We are a catalyst to improve oral and overall health. Our dental network, the largest in Missouri and the nation, is backed by exceptional service. We also support our communities with fun and educational programs like the Land of Smiles and The Delta Dental Health Theatre to help kids have healthier smiles and lives.

It's the right time for Delta Dental, the leader in dental benefits.

## IT TAKES HEART TO BE A HERO

[www.americanheart.org/jump](http://www.americanheart.org/jump)

[www.americanheart.org/hoops](http://www.americanheart.org/hoops)

Jeremy—born with a congenital heart defect—St. Louis, Missouri

The American Heart Association needs new heroes with heart to continue its life-saving mission. The Jump Rope for Heart and Hoops for Heart programs are great ways to raise awareness of living a healthy life-style while helping save the lives of people with special hearts like Jeremy (to the left).

Things to know:

1. Jump and Hoops are fun, free, simple and they make a difference.
2. You have the support of the American Heart Association and a dedicated representative to work with your school.
3. Participating schools receive free equipment, lesson plans, health resources and can earn more free equipment via U.S. Games Gift Certificates!

If you have the heart to make a difference in your student's lives and the lives of people everywhere, contact:

Julie Hederman

Cell: (314) 488-1875

**Sign up for Pure Power and save as much CO<sub>2</sub> as 1.5 hybrids.**

Pure Power supports the development of wind power and other renewable energy sources right here in Missouri. Did you know you can sign up for Pure Power for as little as \$7.50 a month? And believe it or not, over the course of a year, that \$7.50 a month in green power keeps more carbon dioxide out of the atmosphere than 1.5 hybrid vehicles.\*

**Now that's living green... no new car required.**

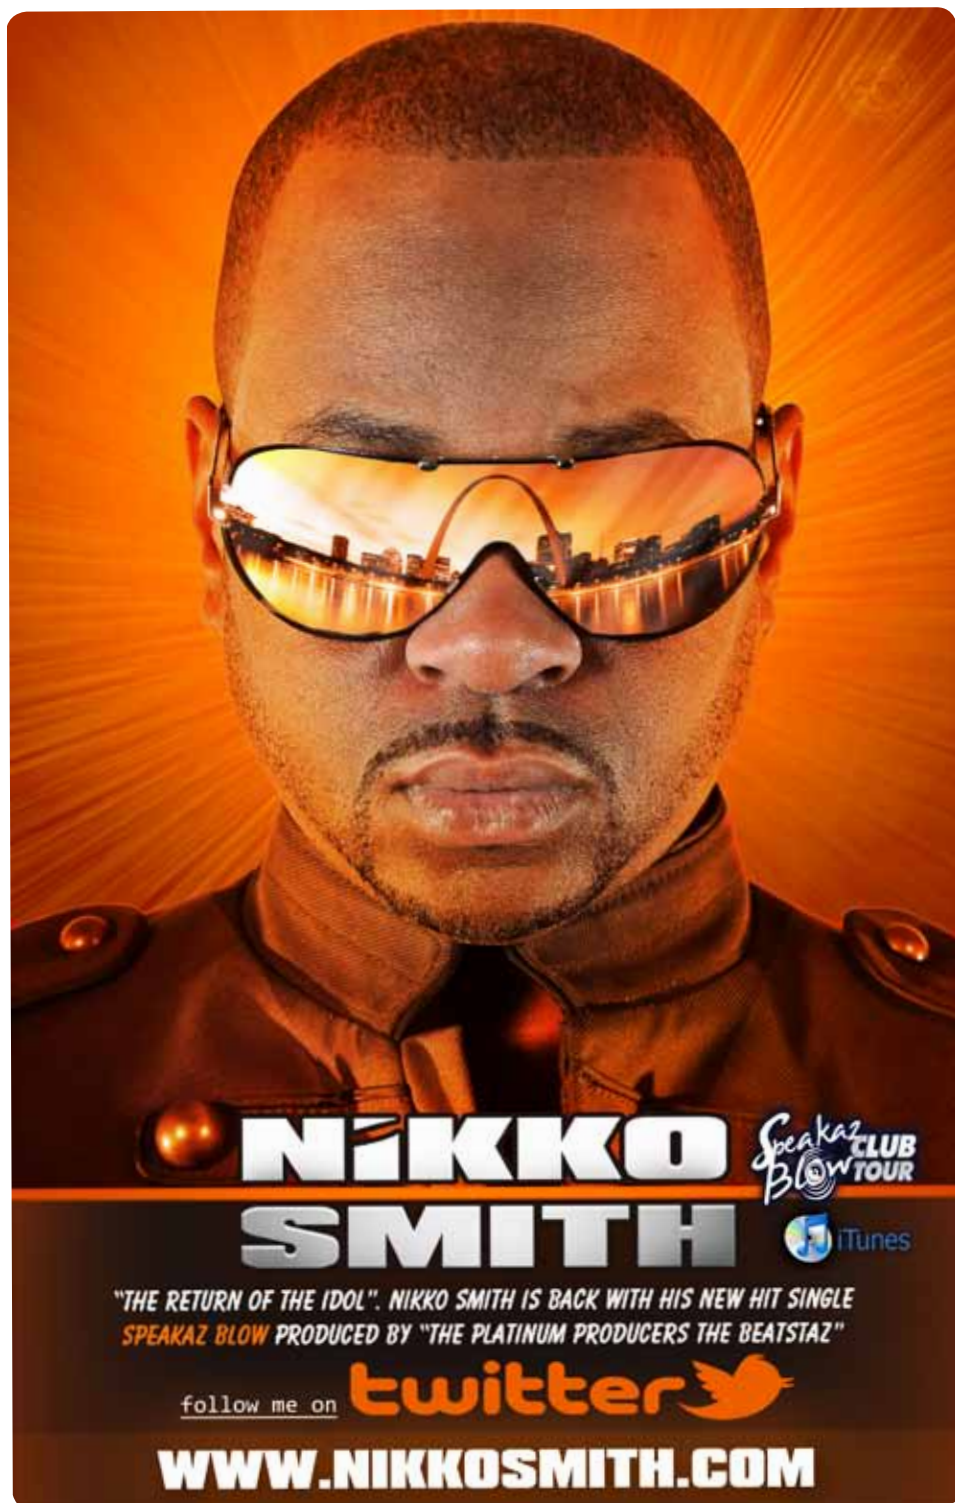

Visit [amerenmissouri.com/purepower](http://amerenmissouri.com/purepower) or call 1.866.665.7873 and sign up today.

\* Compares yearly CO<sub>2</sub> emissions avoided by driving a hybrid vehicle vs. a comparable non-hybrid to purchasing one 500 kWh half-block of green power per month for a year. (EPA Green Power Equivalency Calculator)

**Pure Power: one more way to build a Healthy Planet.**

Participation in this program does not constitute the purchase of energy. Renewable energy credits which represent the environmental attributes associated with past renewable energy generation are retired on behalf of program participants. All renewable energy credits purchased under this program are Green-e certified by the Independent Center for Resource Solutions.
