## HEALTHY HEART PROGRAM FOR CHILDREN™

### STUDIES SHOW THAT HEALTHY STUDENTS GET BETTER GRADES, ATTEND SCHOOL MORE OFTEN, AND BEHAVE BETTER IN CLASS.

The Hip Hop Healthy Heart Program for Children™ is a K-6th grade Comprehensive Healthy Literacy Education Curriculum that has been created to "Build A Culture of Health" through our educational system. It provides our children with the tools to flourish and be resilient! To guide them to blossom into their full potential (mentally, physically and emotionally).

We are teaching through Personalized Learning by grouping the program for both K-3 and 4th-6th grades. It flows from teacher, to student, to family, to community.

It Provides an on-line curriculum and resources that "Transforms Our Children" through a Train-The-Trainer model. It is the Solution To Lifestyle and Behavioral Changes!

Whole Child Focus-This program not only focuses on nutrition and exercise but it also utilizes a full spectrum of self-discovery and self-esteem building techniques. These techniques include: stress reduction, creativity building, positive group dynamics, critical thinking, character development and community involvement.
