Creator

Band Yourself Thin- exercise program that uses movements used to strengthen the muscles are ones that are used to perform everyday functional tasks, i.e.

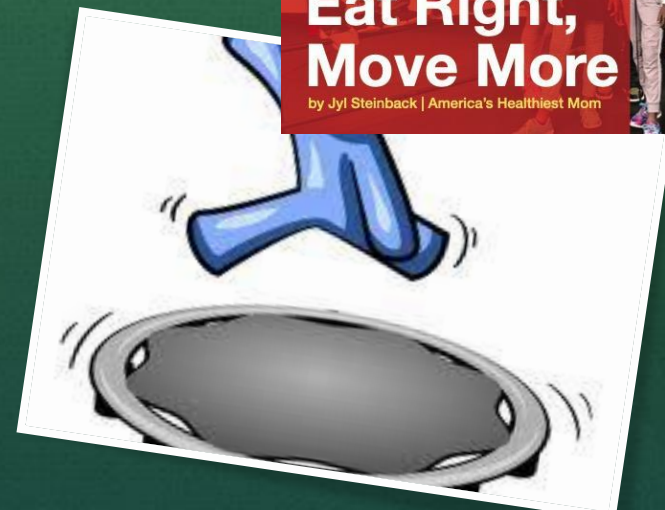

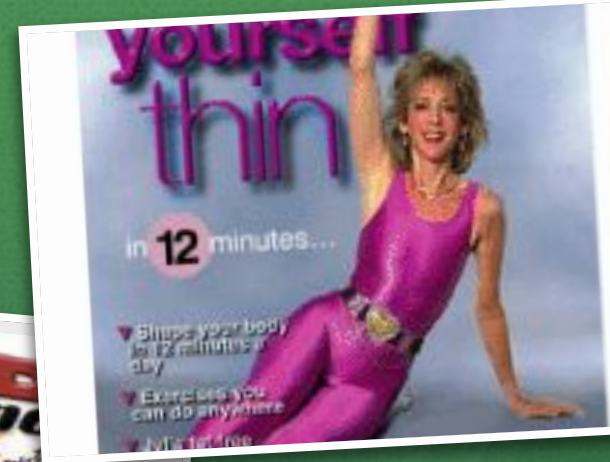

Roll Yourself Thin- exercise program where you move your body against friction, which creates a significant force that your muscles must work against in order to perform the specific movements over time.

Jump For Life

First person to create aerobics on trampolines. She developed a mini trampoline fitness program, opened a studio and marketed product in sporting goods stores nationwide.

Eat Right Move More

Walking program with pedometers and plant nutritious education

Advice

What do you like best about my job?

Everything! Love meeting people and the fabulous relationships. Love helping people what a beautiful gift to share with the world

In what direction do you think this field will go in the future- only UP! We are" SHAPING UP" and healing from the inside-out. It is so desperately needed and I am so passionate to make a difference!

Do what you love
Love what you do

Gratitude

Lifestyle Consultant

- Holistic Lifestyle Coach, Mindfulness Coach, Corporate Wellness, Employees Wellness, National K-12 schools presenting seminars for students, teachers and parents, promoting healthy living through the mind, body and emotion.
- Designed interactive programs augmented with visuals and music to address relevant issues
