Dear, Ms. Steinback:

This letter of support is submitted on behalf of SHAPE ARKANSAS in partnership with Shape Up Us and The Hip Hop Healthy Heart Program for Children. We consider this partnership vital in addressing the issues of health within the student population.

The main goal of Shape Up Us is to build a circle of wellness that can be integrated within existing curriculums. The program encompasses all aspects of the community, from teacher, to student, to family. This goal works in partnership perfectly within the goals of SHAPE ARKANSAS.

SHAPE ARKANSAS looks forward to partnering with your program and thanks you for your time.

Sincerely,
SHAPE ARKANSAS
