Dear Ms Steinback:

This letter is of support submitted on behalf of the North Dakota Society of Health and Physical Educators (ND SHAPE) in partnership with Shape Up US in sharing your HIP HOP HEART PROGRAM for CHILDREN (HPC) free of charge to all of our elementary health and physical education teachers throughout the state of North Dakota.

The mission of Shape Up US is to build a circle of wellness that integrates comprehensive health education into existing curriculum. The program targets educators as the flagship entry-point for introducing its programs to students and parents at schools. It flows from teacher, to student, to family, to community, and back to the classroom.

ND SHAPE is pleased to advocate for Shape Up US and HPC by sharing the resource with our members. Thank you for consideration in offering this curriculum to the ND SHAPE members.

Sincerely,
