Dear Ms. Steinback,

This letter of support is submitted on behalf of Society of Health and Physical Educators New Jersey (SHAPE NJ) in partnership with Shape Up US. We consider our partnership with Shape Up US integral in addressing the issues of health within the student population.

The Mission of Shape Up US is to build a circle of wellness that integrates comprehensive health education into existing curriculum.

The program targets educators as the flagship entry-point for introducing its programs to students and parents at schools. It flows from teacher, to student, to family, to community, and back to the classroom. SHAPE NJ looks forward to partnering with Shape Up US, and thanks you for your kind consideration in offering your curriculum to our educators here in New Jersey.

Sincerely,

Judy LoBianco
